September 10, 2009

Honorable Bill Campbell  
Orange County Board of Supervisors  
10 Civic Center Plaza  
Santa Ana, CA 92701

Dear Supervisor Campbell:

Enclosed are the original responses that FCA has received from the homes within 300 feet of the Kisco project, Bethsaida Senior Living, proposed for 13765 Newport Avenue in North Tustin. We have not received any additional responses from our mailing recently, so we will close the survey. Most of the forms have an original signature. A few were faxed and do not have an original signature (no return stamp was provided to save cost). This mailing was sent to the list provided by the county to homes with 300 feet of the project plus an additional 2 homes that are closer than many on the list. The response is as follows:

<b>Results of 300 Foot Survey</b>	
Opposed (by total number of residences)	75/98 = 77%
In Favor (by total number of residences)	2/98 = 2%
Opposed (by number of responses)	75/77 = 97%
In Favor (by number of responses)	2/77 = 3%
Response Rate	77/98 = 79%

Of those who responded, 97% are opposed to the project and 3% are in favor of the project. All of our assessments of the community show minuscule support and a large opposition.

Sincerely,

---

Richard Nelson  
President, Foothill Communities Association
