Dear Gentlemen:

On behalf of the Board of Directors and the entire California Fire Safe Council organization, I would like to offer my congratulations on becoming our newest Fire Safe Council.

Having heard of your group's strong and enthusiastic beginning in the Cowan Heights (North Tustin) area as well as your fervent adoption of our Fire Safe Council mission and goals, I can see that you will be an active and productive force in your community. We are looking forward to hearing about your accomplishments in the months and years to come, and to having your members participate actively with our many other local Fire Safe Councils. I hope you will take the opportunity to attend as many workshops and other activities as your schedules may permit so that you can take advantage of all of the networking and resource sharing opportunities that may develop.

Again, congratulations on joining the family of Fire Safe Councils!

Best regards,
