**Ruby Rose Yezpez**

Senior Advisor: Key & National Accounts • So. Cal. Edison

Ruby Rose is a seasoned building industry professional with 10+ years experience specializing in affordable housing projects.

Ruby Rose graduated from Cal Poly Pomona with a Bachelor of Architecture. She has gained industry experience through her work in architecture, construction, and sustainability consulting. She holds several certifications including LEED AP BD+C, Certified Energy Analyst, Certified Green Building Professional and a Green Rater.

Ruby Rose, as an energy consultant, guided teams to successfully secure funding and implementing sustainability features required for Third Party Certifications and Utility incentive programs. She certified over 30 projects as LEED or GreenPoint Rated.

Ruby Rose currently supports Southern California Edison as a Senior Advisor assisting developers and builders and promoting decarbonization programs and resources. She is very active in the building industry currently serving as a Planning Commissioner for the city of South El Monte

and a former Board Member for the US Green Building Council Los Angeles Chapter and California Association of Building Energy Consultants. She is a committee member of the ICC Los Angeles Basin Sustainability Committee and Professional Women in Building, as well as a board member for the Baldy View Chapter of the Building Industry Association.

Ruby Rose is passionate about serving those around her, volunteering in a number of roles such as president of the Latino Professional Alumni Chapter at Cal Poly Pomona, Membership Director for the Latino Business Resource Group at SCE and offering free yoga classes to her local community to create unity amongst community members.
